

▶ Product line: Brake pads

▶ New products

Dear Sirs,

We are pleased to inform you about 72 new references that we have introduced into the PROTECHNIC brake pads.

The items marked as „available from” are new products which availability is determined by a specific date (eg. On August 2016).

The items marked as „on request” are new products which availability will be define on the basis of market information.

However, items marked as “in preparation, waiting for R90” are available products, but do not hold R90 Certificate which causes that they are not yet allowed to be sold in European Union.
